## SILENCER PACKING

### 4 Stroke Premier Multi-Layer Packing

Developed for high output 4 strokes, our revolutionary premier multi-layer 4 stroke silencer packing is comprised of advanced, sound-absorbing materials for maximum sound absorption and durability. The first layer consists of a highly pure stainless wool wrapped in an aerospace grade stainless screen. This exclusive layer of packing material encases a treated high density temperature barrier to make up the ultimate lightweight and extremely durable 4 stroke packing!

15" Premier Packing	011390	\$34.95
19" Premier Packing	011391	\$37.95

A freshly packed silencer or muffler actually improves performance.

### 2 & 4 Stroke Performance Packing

Our performance packing is comprised of finely blended interwoven fiberglass fibers made to FMF's specifications for high heat resistance, superior sound attenuation, optimum performance and greater longevity. Look for FMF's distinctive red performance packing.

2 STROKE Performance Packing	011392	\$8.95
4 STROKE Performance Packing	011393	\$11.95
Q MUFFLER Pillow Performance Packing	011394	\$24.95

### 2 & 4 Stroke Standard Packing

Our standard fiberglass packing is economical and best suited for general recreational use.

2 Stroke Packing	010589	\$7.95
4 Stroke Packing	010590	\$9.95
