84-56430	Chain Breaker	\$23.95

Pro Series

Pro Series Triangle Stand

Looking for a space saving, quick and easy motorcycle stand? The Pro Series Triangle is the most cost efficient motorcycle stand on the market. The Pro Series Triangle is constructed from Heavy-Duty steel, then zinc coated to prevent rust and corrosion. Its welded tip will fit in the axle of virtually any bike from 80cc minis to 500cc ground pounders. Don't settle for substandard equipment. Trust the Pro Series Triangle to keep your bike standing for years to come.

Part#	Description	Retail
PST-004	Gold Triangle Stand	\$16.95

Pro Series Lift Stand

When you're out at the track, working on your bike is made easier by the Pro Series Lift Stand. Weighing only 14 lbs, the Pro Series Lift goes from the track to the garage with ease. A Non-Skid rubber pad keeps your bike from slipping during maintenance or storage. Pro Series' Rubber pad is pervious to gas and oil and won't decompose from these common chemicals. Pro Series Lift is constructed from heavy-duty steel then Silver Powder Coated to prevent rust and corrosion. The lift measures 11 1/2" in the down position and 17" when fully extended allowing Pro Series to suit most bikes from mini to dual sports. Don't be fooled by cheap imitations, Pro Series offers you quality and performance at an affordable price.

Part#	Description	Retail
PSS-007	Silver Lift Stand	\$98.95

FRONT STANDS

- Tubular design to ensure stability measuring at 1 1/2" diameter.
- Four 4" wheels for an easy pivoting motion.
- Axle holder located on arm to help keep part clean while removed.
- Supports from steering neck to allow easy access to front wheel and other components.
- Easy disassembly for shipping and storage.
